

**STROKE
ACTION
PLAN
EUROPE
2018 – 2030**

My perspective on life after stroke

Melinda B. Roaldsen MD PhD

COO for SAP-E

UiT The Arctic University of Norway

The University Hospital of North Norway

Disclosure Statement

There are no conflicts of
interest to declare

The human brain

What is one single human life worth?

One life is a whole universe of its own.

All the people we touch and affect throughout life.

There is to more to life

To hope

To dream

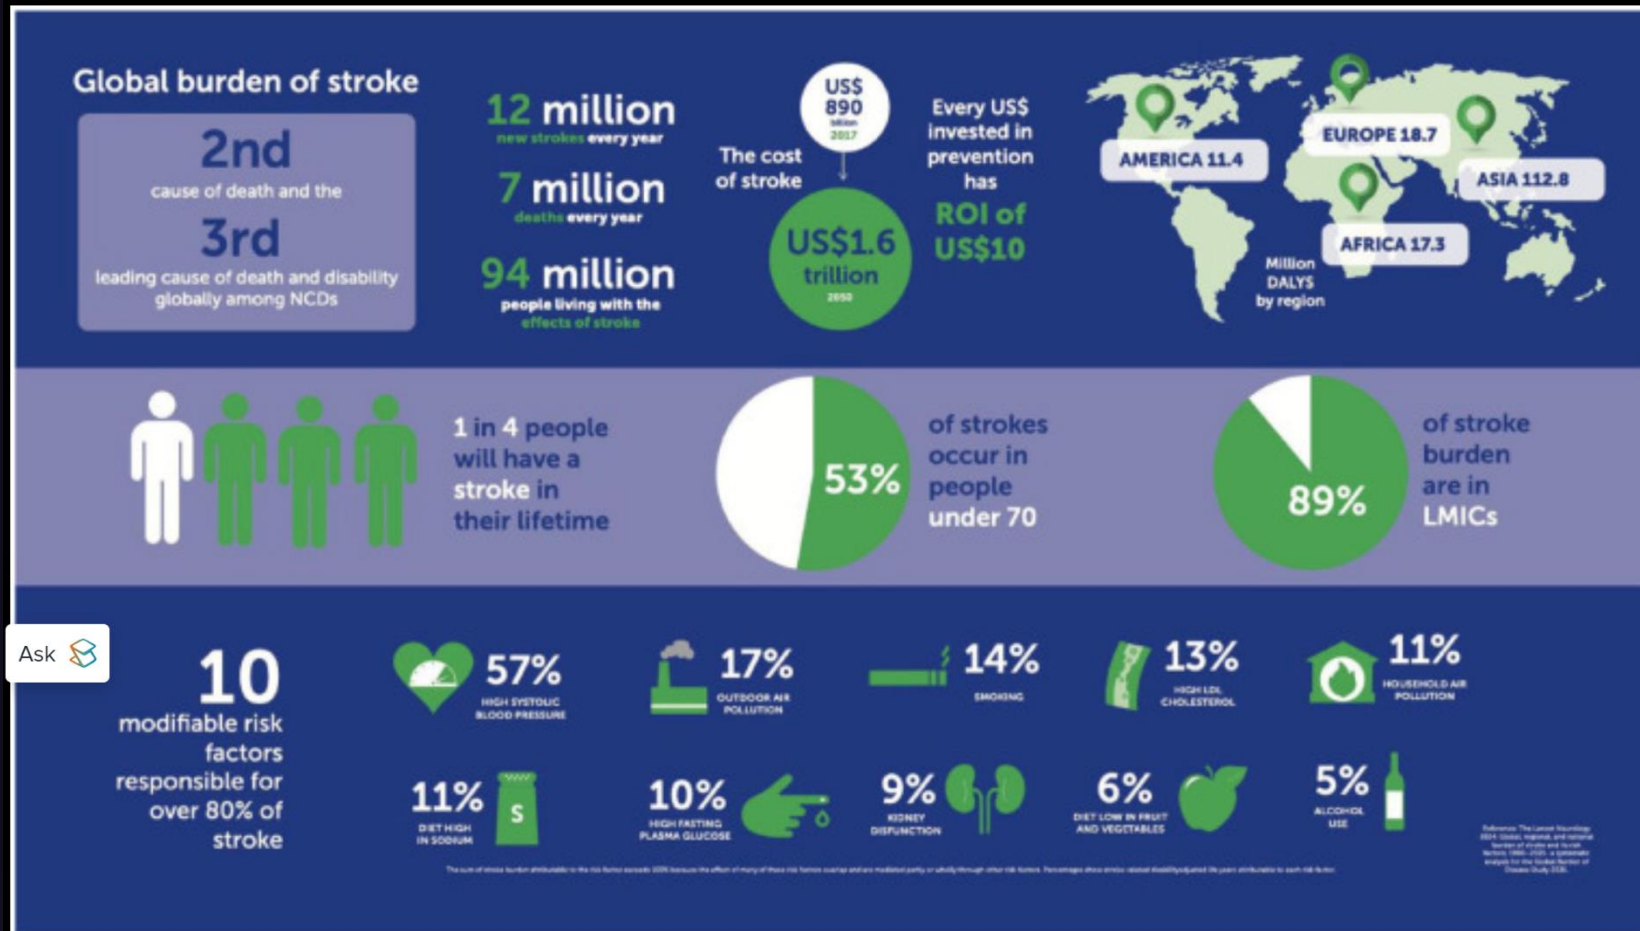

To love

Be able to live life again to the highest quality of life

STROKE ACTION PLAN EUROPE 2018 – 2030

World Stroke Organization (WSO) Global Stroke Fact Sheet 2025

Ask

Helsedirektoratet

Norwegian Directorate of Health

1. The whole treatment chain of stroke
2. The acute phase
3. Secondary prevention
4. Rehabilitation

THANK YOU!
